Service Description

Newpin (New Parent and Infant Network) is an intensive parent education program that works therapeutically with families under stress to break the cycle of destructive family behaviour and enhance parent-child relationships. Newpin was created in response to the needs of new mothers experiencing issues such as isolation, mental illness, family violence, social disadvantage, low self-esteem and for those who were at risk of physically or emotionally harming their child or children.

Participation Length

Members can attend Newpin for up to two years depending on their needs. Members attend a minimum of twice weekly with their child/ren to participate in the program but can choose to attend more frequently.

Interpreters

Yes but requires booking in advance
