

Hand Brake Turn - Certificate II in Automotive Body Repair Technology

Street Address

7 Hilton Street, Dandenong Vic 3175

Phone

03 9793 1466

Email

hbt.dan@concernaustralia.org.au

Website

<http://www.concernaustralia.org.au/handbraketurn/>

Client Min Age

15

Eligibility Criteria

Participants must be aged 15 or over and very basic literacy skills are preferred for their own benefit. However, reasonable adjustments can be made to suit learner needs if necessary. Naturally, a desire to enter into the automotive industry also helps the learner remain interested in the subject matter.

Service Area

City of Casey, City of Greater Dandenong, Cardinia Shire

Service Description

The objective of the Certificate II is to make people of all ages (particularly "at-risk" youth) ready to enter a workplace in the automotive industry. The course covers the areas of both basic mechanic work and panel beating. Learners have access to an actual workshop and are offered an experience that simulates a real workplace environment, all the while teaching them skills that are invaluable in the field and can improve lifestyle in general - not only the technical skills of the professions, but also interpersonal skills, and helping them understand and manage responsibilities.

Participation Length

- The Certificate II takes place over nine weeks.

Interpreters

Not Appropriate
